

What You Can Do In 2 Minutes or Less:

Three simple steps to tobacco cessation counseling

Ask: **Do you use tobacco?**

☐ Yes ☐ No ☐ Former ☐ Never

Advise: **Encourage tobacco users to quit.**

Brief, strong, personalized message for quitting.

Example: “Mr./Ms. Jones: Quitting is the single best thing you can do for your health. It is especially important for you to do now, because_____.”

Refer: **NC Tobacco Use Quitline**

- **1-800-QUIT-NOW (1-800-784-8669) or**
Visit www.QuitlineNC.com
- Free, evidenced-based, confidential
- Fax Referral to QuitlineNC. Form available at www.Quitlinenc.com

Cessation medications increase success.

Discuss cessation medications with tobacco users.

“These medications, combined with cessation support,
double chances of quitting.”
